ERGOBAUM

SHOCK-ABSORBING CRUTCHES

"Ergonomic, shock-absorbing, foldable and fully adjustable. An advanced crutch for greater freedom and confidence."

ERGONOMIC DESIGN

The ERGOBAUM adapts to your body, not the other way round!

The soft, non-slip handle adjusts to a natural wrist angle of 60 to 120 degrees.

The forearm crutch can be used with either an open or a closed cuff.

COMFORTABLE

Shock absorption helps cushion impacts while walking and reduces strain on hands, arms and joints.

The ERGOBAUM also features a fold-up knee support, allowing you to temporarily rest your leg while standing.

STAY SAFE ON THE MOVE

Every detail of the ERGOBAUM is designed with safety in mind. Built-in LED lighting, safety reflectors and an alarm button provide extra reassurance during use.

The ERGOCAP crutch tip follows the natural movement of the foot and ankle, providing grip and stability even when the crutch is angled.

The ERGOBAUM also folds completely for easy transport and compact storage.
